Technical drawing showing a cross-section (SECTION D-D) and a detail view of a mechanical assembly. The main view shows a component (30) with a dimension of 1814.5, a detail view (39) showing a cross-section of a pipe (22) with a dimension of 25, and a detail view (31) showing a cross-section of a pipe (29) with dimensions 3.2 and 0.5.

Technical drawing of a window frame assembly. The drawing shows a cross-section of the frame with various dimensions and components labeled. The overall width of the frame is 1297. The height of the frame is 13. The depth of the frame is 50. The drawing includes a callout for a component labeled 19, which is a small circular element. Another callout for a component labeled 30 points to a specific part of the frame. The drawing also shows a hatched area representing a seal or insulation layer.

Technical drawing of a window frame assembly. The drawing shows a cross-section of the frame with a hatched area representing the glazing unit. Dimensions are indicated: 765.5 for the total width, 50 for the width of the frame profile, and 18 for the height of the frame profile. Callouts 30 and 19 point to specific components of the assembly.
